CATERING

T & C'S

If you have any questions about your retail order, you can contact us on +971 58 107 1428 or email sales@epikcatering.com.
Monday - Friday 09:00 - 18:00

Payment terms

Payments can be made on delivery by cash or card, or in advance through an online payment link.

Payments will be automatically processed as payment on delivery, unless communicated otherwise.

The total bill should be paid in full in advance with new corporate.

Corporate clients who, after their first order would like to pay by LPO onwards, need to submit a request. LPO's need to be sent maximum the day before the retail order.

The credit limit is AED5,000 (unless otherwise agreed) which would need to be paid up front before supply can resume.

All cheques can be made payable to "Appetite Catering Services LLC".

We do not accept Amex or Dinner Cards.

Minimum Order

We have a minimum order requirement of AED350.

Please ensure that your order is confirmed at least 48 hours before the event. For orders placed on Monday, confirmation must be received by Friday at 12 PM.

To confirm your order, all details, including final menu, delivery time(s)/pick-up time, delivery address, method of payment, etc. should be finalized by the above deadline.

We cannot guarantee that any changes will be possible after these timings. All orders are subject to change and availability.

While we try to be as flexible as possible with ordering time frames, preferred flavor choices may not be available for last minute orders.

Cancellation Policy

Cancellations after the ordering deadline, indicated above, incur a charge of 50% of the total bill. Cancellation after 5PM the day before the day of the order and later incurs a charge of 100% of the total bill. The cancellation deadline for Sunday & Monday orders is 12pm on Fridays.

General Retail T&C's

This agreement is based on sales basis, therefore no return or wastage will be accepted by Appetite.

All items that were not sold on the day of the order, must be removed from the chilled display unit and the unit must be cleaned and sanitized before daily delivery.

All products must be stored and displayed following the guidelines set by Dubai Municipality and HACCP standards in terms of temperature chain management. Chilled display unit must be held at 5+ degrees maximum.
